Title	Ophthalmology				
Course Coordinator	Furkaan majied Hamied				
Course Objective	The 5th year medical college should Know the anatomy, physiology, clinical ocular assessment, and the common ocular diseses and its management				
Course Description	Clinical course ;two weeks Theory part weekly fot the year				
Textbook	Lecture Notes in ophamology				
Course Assessment	Term Tests	Laboratory	Quizzes	Project	Final Exam

General Notes	The 1 st and 2 nd course 10% for each 20% for the mid year assessment				

10% for the clinical assessment, and 50% for the final exam
